Pulling fans,

"Popeye's fanclub" is the official fanclub of Popeye tractor pulling team. Popeye tractorpulling team is competitive since 1978 in the sport of tractorpulling, and collected many National- and international championships. Also you can be member by joining in!

You're already a member by donating €50,-/year. For just €50,-/year extra your company name, logo and link to website is available on our well visited website. This website is updated often, and therefor never outdated. This makes sure visitors check back more often, which again increases the visitors...

As a fanclubmember you'll receive an emailnewsletter every now and then, which is filled with more technical details as we reveal on our website.

What to do to become a member?

Print out and fill in this form. Take it with you (and the donation) to one of the many pulling events where we compete. Speak to one of our teammembers and make sure we get this form.
